## WORK EXPERIENCE

**DSF, Deutsches SportFernsehen**, German Sports Television  
*Trainee, Programm Development*

Munich, Germany  
June – Aug. 2002

DSF is the most popular TV sports-channel in Germany. DSF is a part of the Kirch Media Group and also responsible for their sports broadcasting.

- Analysed foreign TV-Programmes to obtain new ideas for shows and to gain insights into effective programming.
- Checked new programme-formats for own broadcasting.

**BR, Bayerischer Rundfunk**, Bavarian State Television  
*Assistant to Cameramen* for indoor & outdoor shootings

Munich, Germany  
Oct. 2001 – May 2002

BR is the largest part of German 1<sup>st</sup> national television ARD. BR encourages informative, demanding and high-level cultural programming, as its existence is independent of audience levels.

- Assisted Cameramen to assemble their equipment during shootings.

**www.nickles.de**  
*Responsible for expanding the company's html-database*

Munich, Germany  
Feb. 2000 – May 2001

www.nickles.de is one of the most popular web-engines in Germany where PC-interested people and insiders are given the opportunity to converse with each other on news, help and technical short-cuts.

- Constructed a database to be used by internal html-programmes.
- Oversaw the administration of the internal PC-network.

**Atlas international Film GmbH**  
*Trainee Sales*

Munich, Germany  
Juli 2000

Atlas Film is an international film rights-reseller. Atlas holds many of rights for Constantin films that are distributed outside Germany.

- Facilitated business-partners to the original film rolls.
- Constructed and renewed a database of the own films.

**CHIEF SKILLS**
